

Directions

The event is being held at Cadley Clay Shooting Grounds.
The address is:

Park Farm,
Cadley,
Marlborough,
Wilts SN8 4NE

Cadley is on the edge of the Savernake Forest, 3 miles outside the historic market town of Marlborough in Wiltshire. Marlborough, is just south of the M4, between junctions 14 (Hungerford) and 15 (Swindon) and north of the A303.

There are three maps below that show the local area at progressively greater detail. The first shows all of the major roads, the second shows the Marlborough to Burbage section of the A346 and finally the third shows Cadley and Park Farm itself. Park Farm can be found in the centre square of the most detailed map.

J14M4

From Hungerford, follow the A4 to Marlborough and then the A346 towards Burbage. 3 miles outside Marlborough you reach the village of Cadley. Drive through this and shortly after the village, on the right, there is a partially concealed entrance to Park Farm, follow the signs from there. If you miss the turn, you will come to a sign directing you towards Wootton Rivers turn back here and prepare to take the first left you spot.

J15M4

From Swindon, follow signs to Marlborough on the A345 and then the A346 towards Burbage. 3 miles outside Marlborough you reach the village of Cadley. Drive through this and shortly after the village there is a partially concealed entrance to Park Farm, follow the signs from there. If you miss the turn, you will come to a sign directing you towards Wootton Rivers turn back here and prepare to take the first left you spot.

A303

From the A303 follow signs for Marlborough, via Collingbourne Ducis and then Collingbourne Kingston, (there is a Cadley signposted as you go through the Collingbournes, do **NOT** follow these signs). When you get to Burbage, Cadley is signposted. Follow these signs over a pair of bad bridges (over the railway and canal) and up a steep hill. As you crest the hill you will see a left turn for Wootton Rivers, carry on past this and slow for a concealed left turn. If you enter the village of Cadley you will have gone too far. We have a sign board on the entrance to show where the farm entrance is.
